

Product Data Sheet

Full Synthetic Gasoline Engine Oil

CountryMark Advantage™ Full Synthetic Gasoline Engine Oil is formulated with the latest in lubricant technology. Expect superior performance in four-stroke naturally aspirated and turbocharged gasoline engines. New improved performance documentation includes the API Service Symbol, or “donut”, with API Service SN and Resource Conserving certification. **Dexos 1 Certification.**

Features	Advantages	Benefits
Fuel Economy	Formulated to OEM GF-5 certification	Demonstrates maximum fuel economy
Shear Stability	Contains full synthetic base oil that provide lower volatility	Provides greater shear stability and reduces the amount of high temperature “burn-off”
Wear Protection	Formulated to offer superior wear protection, as demonstrated in the Sequence VIA performance test	Sliding friction and its associated wear, as well as oil thickening due to oxidation, are reduced

Applications

CountryMark Advantage Full Synthetic Gasoline Engine Oil is formulated to meet or exceed a variety of specifications and requirements by engine manufacturers, including:

ACEA	A1/B1, A5/B5
API	SN, SM, SL, SJ
ILSAC	GF-5
Ford	WSS-M2C946-A, WSS-M2C929-A
General Motors	4718M, 6094M

Typical Properties

	Test	CountryMark Advantage Full Synthetic Gasoline Engine Oil SAE 5W-30
Pour Point	D 97	-42
Viscosity Index, min.	D 2770	172
Viscosity @40°C	D 445	61.7
Viscosity @100°C	D 445	11.0
Sulfated Ash Mass %	D 874	< 0.8

Safety and Health

A material safety data sheet is available upon request. Avoid prolonged or repeated skin contact. Wash clothing and exposed areas with soap and water.
